

In Summer

Youth Ensemble and Ensemble Dance Audition

Bees'll buzz

sway right to left

Kids'll blow dandelion

spin to the right

Fuzz

Blow out Dandelion

And I'll be

Hop step backwards then pop up

doing whatever snow does in

Hands down and out

summer

big ray of sunshine arms then spin left

A drink

grab drink

in my hand

drink drink

My snow up against the burning

Spin around towards back like you're cold

sand

POP up strong

Prob'ly getting gorgeously tanned

put hand on head then fan twice

in summer

big ray of sunshine arms
